TOUCH-A-TRUCK AT THE LODGE

On September 27th, the American Legion and Elks Lodge #80 helped host the Touch-a-Truck event at our parking lot, with service vehicles from fire trucks to cement trucks to police cruisers and more. Kids and adults alike were invited to experience these vehicles in person, sitting inside, talking to the real life operators, and asking questions about the jobs these cars and trucks do.

We expected 200 kids—the response was overwhelming! People showed up early and lines snaked out into the neighboring parking lots. Kids and adults alike were excited to experience the different trucks and ask questions of the real operators. We hosted an estimated 1,000 young people, handing out hot dogs, chips and bottled water for the curious youngsters, and the event was a huge success. And it was LOUD! Kids had a great time honking every horn and talking into every megaphone.

At one point, we ran out of hot dogs! Harry Montag saved the day with a quick trip to the store for more provisions. The Does were on hand for a bake sale and craft sale, and the Kona Ice truck was there to provide extra refreshments.

By any standards, it was a roaring success—and we even had a few people request membership applications. We hope to make this event an annual one at the Lodge!

NOVEMBER DINNER

Save the date! **November 15th** is our annual Turkey and Noodles Dinner at the Lodge, featuring hearty turkey and noodles, mashed potatoes, gravy, buttered peas, cranberries, dinner rolls and a Great Pumpkin dessert!

Dinner will be sponsored by the Schrage and Montag families.

There will be a raffle, so make sure to buy your tickets at the entry table.

Dinner admission is \$14. Social hour starts at 5:30, with dinner beginning at 6:30. Bring family and friends, just make sure to RSVP so we have a head count.

We welcome raffle items, also! It all benefits the lodge so if you have handicrafts, wine, treats or other things, bring them to the Lodge before the dinner.

DECEMBER DINNER

Mark your calendars for **December 13th**, dinner sponsored by the Jacks and the Nordmans. Roast beef, mashed potatoes, gravy, carrots and a holiday dessert, with a raffle to follow!

Good day,
fellow Elks,
and happy
fall. Let's
enjoy the
turning
leaves and crisp morning air!

With Thanksgiving just around the corner, it's a wonderful time to appreciate life. We are grateful for family and friends, and that extends to our fellow Elks.

There's a special camaraderie among members of our Lodge, dedicated to helping others in our community, and improving our Lodge for the benefit of all members. We are always looking for ways to make the most of our resources -- including donations along with member dues to further support our charitable initiatives.

If you are interested in deeper involvement, we are always seeking candidates for officer positions to enhance Lodge operations.

This month especially, I would like to extend my sincere appreciation to our current officers for their commitment and contributions, especially their impressive execution of the initiation ritual for new members, which leaves a lasting impact.

As always, I encourage everyone to stay involved, attend our dinners, keep the spirit of ELKS alive, and enjoy your time with us.

NEW MEMBERS INITIATED OCTOBER 15

Three new members were initiated into our Lodge at our October 15th meeting. Pictured seated in front, L-R: Deborah Catherall, Stephen Fowles and Mary Joan Nickell. When you see them at dinners and other activities, make sure to say hello and introduce yourself! Welcome to Elks Lodge #80!

COMING UP NEXT MONTH...

...Lodge Cleanup Day, date to be announced for December—volunteers needed to spend a day cleaning and sprucing up inside and outside the lodge. It'll be a fun day with treats to share as we work. Many hands make light work!

...Auto Connection's annual, generous Car Giveaway. Elks member Kevin Anderson and his crew have asked our Lodge to process the many applications so that one deserving individual can receive a vehicle. We would love to have a couple of volunteers to help read through and narrow down the applications.

...Lodge Christmas party and other activities including holiday themed karaoke, a visit from Santa, Christmas Giving project, and more.

OKTOBERFEST HIGHLIGHTS

Our annual Oktoberfest was a lot of fun, with the crowd favorite "Less Talk More Polka" band providing great music! Dinner was delicious, with brats, pork roast, German potatoes, sauerkraut and rye bread (and pickles). Connie Moore supplied the delicious German chocolate cupcakes for dessert.

A limited raffle was held after dinner and, to paraphrase a famous song: "A splendid time was guaranteed for all."

Dinner was sponsored by the PER (Past Exalted Rulers) Association, and many were on hand to receive special recognition for their involvement in two past national championship ritual teams.

If you missed the October dinner, make sure to come to the dinner in November, for turkey and noodles and fellowship with your fellow Elks. Bring friends and family, who will also enjoy themselves! If you haven't been to a dinner in a while, you've been missing out!

THIS IS YOUR ELK-O-GRAM!

LODGE #80 TO RESUME RITUAL COMPETITION

A proud tradition of our lodge is coming back: ritual competition. When you were initiated, the formality of that ceremony reflected a tradition reaching back to the early years of the Elks. The ritual is designed to impart the founding tenets of our order: Charity, Justice, Brotherly Love and Fidelity. This ritual instills in our members the importance we place on these principals, and instruct new members on our Lodge etiquette, tradition and core practices. Each step has been carefully designed for maximum impact.

Every state has regional and statewide ritual competitions, and Lodges advance based on the exacting evaluation by trained judges who follow strict standards after careful training at Ritual Clinics.

After several years' hiatus, our Lodge is resuming competition involvement, under the careful coaching of Larry Bratt, who has supervised several practices and will be assisting with ritual clinics throughout the state. Lodge officers will be attending an all-day ritual clinic November 15th in Falls City, as part of their preparation.

As a reminder, our Lodge took home the National Championship trophy in ritual competition twice - and we hope to work up to that level again.

Some members of the team that twice won the national championship were recognized at our Oktoberfest dinner.

VETERAN PROGRAMS

"So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them."

HIDE PROGRAM - GLOVES FOR VETERANS

Deer hunting season is fast approaching: archery permits started September 1 and go through December 31st, and firearm deer season goes from November 15-23. Separate seasons for muzzleloaders and for antlerless deer are also approaching.

Whether you hunt or know someone who does, just a reminder that the hides should not be discarded! Ask the meat processor to save the hide so it can be donated to our hide program, where it is sent to be tanned and turned into gloves for veterans.

BEER AND BURGER NIGHT

American Legion meets at our Lodge and during their meeting on the second Tuesday of the month, we host a beer and burger meal from 6pm to 7pm, serving Legion members **and** Elks all together. We'd love to see more of our members at the dinners!

Freshly made burgers, hand cut French fries, homemade baked beans and coleslaw are served, all for WAY less than you would spend on a fast food meal (and it tastes much better!). Join us, visit with your fellow Elks, and grab a drink at the bar. If you'd like to help cook and/or serve, talk to Harry Montag for more details—it's a fun evening all around!

VETERANS PANTRY AT VICTORY APARTMENTS

Victory Apartments are located east of the VA clinic off 70th and O Street on the campus of the Department of Veterans Affairs. The building went up in 2018, a collaboration between the VA, Burlington Capital Real Estate and the Seniors Foundation.

The 70-unit building is a supportive housing initiative for veterans who have experienced homelessness or are at risk of such, with accompanying services that include on-site nurse visits, case management, a dedicated building manager, Lincoln Housing Authority inspections and easy to VA services. The residents on four floors have on-site laundry, a community room, and bi-monthly food pantries to help stretch their grocery dollars.

Elk Lodge #80 provides an extensive pantry every month at Victory - from food to household supplies, the pantry has grown with the help of grant funds from the ENF, donations from businesses and individuals, and the help of Lodge members.

Residents line up and choose items for two hours and their appreciation and gratitude are obvious. The last Friday of the month is one they look forward to with anticipation, not just for the food, but for the fellowship among the residents and volunteers.

If you are interested in volunteering, contact Milt Schmidt to help out with setup and distribution. Milt can be reached at 402.489.7903.

NOTES FROM THE TRUSTEES

At the upcoming Trustee meeting we will be going over the bills and the financials of the lodge. We are happy to announce that the computer has been updated and everything is working well.

The cash calendars are out! This is one of the Lodge's big fund raisers. So we encourage our members to tell your friends and buy some calendars and support the Lodge.

Don't forget to come to the Lodge dinners, Beer & Burger, and our Karaoke nights at the lodge. Dates will be on the calendar in the Elk-O-Gram.

MEMBER SPOTLIGHT: JIM NORDMAN—NEW MEMBER

Because Veteran's Day is in November, it's particularly fitting that our spotlight this month is on one of our many Elks who have served our country.

Even before officially joining the Elks in 2025, Jim Nordman had been attending dinners with his wife, Tami, a member for over ten years. He then started volunteering alongside her, and getting involved in the Christmas Giving Project was a highlight—it was rewarding to give back alongside friends. After joining the Lodge, he also began helping with Burger Nights and Corvette Club dinners.

Jim comes from a family with a history of military service, so serving others became an integral part of his life. He spent years in the Marine Corps and Nebraska Army National Guard, with multiple relief missions and overseas deployments. His roles as a helicopter crew chief and later as an instructor fostered a deep appreciation for mentorship. Interestingly, it was during an overseas deployment that he met Tami—a meeting that changed both their lives.

Jim is naturally curious about how things work, and teaching has become one of his passions, whether coaching youth hockey or leading high school lacrosse teams. During his leisure time, he enjoys woodworking or cooking outdoors. Jim and Tami's daughter, Hope, is a third grade teacher in Iowa—she is also a past Elks Scholarship recipient. Their son, James Jr., is carrying on the family's military tradition, pursuing his dream of becoming a pilot by serving as a Blackhawk Crew Chief. The family is rounded out by Leo, Beau, and Doby—three spirited dogs who provide constant amusement.

What truly attracts him to the Elks is the strong sense of camaraderie and the opportunity to support veterans and youth. He looks forward to what lies ahead and is grateful for the chance to continue serving the community within such a welcoming group. When you next see Jim at the Lodge, say hello and remember to thank him for his service!

YOUTH FOOTBALL SEASON RUNDOWN

The season is winding down and will be over soon—boy, how time flies! The Elks had another good year and we should be proud of how our teams did this year. Our C team went undefeated and will be playing for the championship and we will report on that next month.

We should all be proud of the athlete's and volunteers we have that make this program the success that it is today. The hard work and hours they put in shows how committed they are. Thanks!

It is always sad to see the season end but we know that next year we will hope for the same success that we put forth every year. GO ELKS! —Scott Schrage

KARAOKE AT THE LODGE

Our next karaoke night will be Friday, October 17th. Join us to sing or watch, visit and get caught up. We meet at the Jolly Cork the third Friday of each month.

You don't have to sing to have a good time—heck, you don't even have to sing well to get up and belt out a tune or two. Come out for the fun, fellowship, and prizes. Bring your smiles, and some food to share with everyone else! It's always a good time.

WE CAN DO THIS COLLECTION BARREL

Please remember to bring food and personal care items for the WE CAN DO THIS RED BARREL when you come to the lodge!

Needed items are: Toilet Paper, Dish Soap, Paper Towels, Cereal, Instant Potatoes, Mac & Cheese, Canned Fruit, Canned Vegetables (with pull tabs if possible), Knorr (or store brand) noodles/rice, and Ramen.

These items help the kids and their families help themselves. What doesn't get used right away goes into a pantry for kids and their families.

DOES DISPATCH

The DOES participation in the Elks/American Legion Touch a Truck event was a success. Thanks to all who contributed to our cause to raise money for the National Patriotic Order of DOES. The District meeting in Atlantic, Iowa brought fellow DOES together and was a reminder of the founding principles of Charity, Love, Loyalty and Patriotism.

As we wrap up October, November will bring discussions on benevolent donations as well as preparing for our annual Christmas party.

Best to all,
President Vicki Logan

ELKS VOLUNTEER NEWS

Christmas Giving Project Starting This Month

This is the third year for our Christmas Giving Project! The last two years our members, their spouses and our Elk friends were quick to step up and make this program a huge success. I am always overwhelmed by the number of people who volunteer to help with this project. We have applied for and received the Gratitude Grant from Grand Lodge, and this grant increases the impact of our program.

Thank to the Elks National Foundation, and all of our members who contribute to ENF to make these grants possible!

We will again work with The Malone Community Center, City Impact and We Can Do This to provide items which the kids want and/or need for Christmas. Our Christmas Giving Project allows us to provide items for children, in conjunction with these three organizations, who may not otherwise receive anything for Christmas.

We will hold our shopping night at the Walmart at 8700 Andermatt Drive on Thursday, November 20th, beginning at 6:30PM.

The wrapping party will be at the Lodge on Thursday, December 4th beginning at 6:30PM.

Thank you from the bottom of my heart to all of you who took time out of your busy lives to help brighten the lives of so many families and children last year, and I look forward to seeing everyone again this year, as well as many of our new members who are looking for a way to help within our community.

Please phone or text me at 402-416-5239, or email me at larryjcorvette@aol.com if you want to help with either or both of these events. The more the merrier.

The generosity and willingness to help with this project reaffirms why the Elks are the foremost charitable organization in the country! ELKS CARE – ELKS SHARE!
